

Fire Door Solutions Announces Asset Purchase Agreement to acquire Premier Barrier Management

Fire Door Solutions, LLC (“FDS”), a leading national provider of fire life safety compliance solutions to the healthcare industry, headquartered in Overland Park, Kansas is pleased to announce it has entered into a definitive asset purchase agreement to acquire substantially all the assets of Premier Barrier Management (“Premier”), based in Nashville, Tennessee.

OVERLAND PARK, Kan. ([PRWEB](#)) July 11, 2018 -- Fire Door Solutions, LLC (“FDS”), a leading national provider of fire life safety compliance solutions to the healthcare industry, headquartered in Overland Park, Kansas is pleased to announce it has entered into a definitive asset purchase agreement to acquire substantially all the assets of Premier Barrier Management (“Premier”), based in Nashville, Tennessee.

Premier specializes in fire stopping as well as other inspection and remediation services related to life safety and has a reputation for providing high quality service in the heavily regulated healthcare market. The acquisition of Premier will strengthen FDS’s existing presence in Nashville, home of the largest healthcare systems in the U.S. and one of the fastest growing real estate markets in the country. Premier joins Raleigh, North Carolina based Trinity Fire Partners as the second acquisition in the last 12-months for FDS.

“We are excited to grow our presence in Nashville and better serve the healthcare community and systems there through our national coverage and expanding scope of services for all things life safety,” offers Jeff Perry, CEO and Founder of Fire Door Solutions.

“The Premier team is delighted to be joining FDS, which has emerged as the true national leader in our field”, said Jimmy Castro, a senior officer at Premier who will become Executive Vice President at FDS. “The scale and capabilities that FDS brings to the table will allow us greatly enhance our service level and offerings to both new and existing customers.”
